Subject:	Re: 2013 WORLD CYBER SECURITY CONFERENCE: NEW DEVELOPMENT

Dear Mr. Akano,
Our mails must have crossed each other.
So I would like you to know that we have considered the suggestion for the 27 August or 29th August - unfortunately, it will complicate things for us significantly as we have other previously set obligations.
we will highly appreciate it if you can consider the other option that was brought before us - the 20th till 22nd August. Any of these dates is more comfortable for us that the 27th or the 29th of August.
we would appreciate if in any case, you can notify us before the end of this weekend, your final decisions regarding the dates.

you must be very busy and preoccupied. things happen and life goes on and i am sure that the first lady, the president and all of you will be all right.
sincerely yours,
Nili Priell Barak
